# Further Education – Transport Guide

## GETTING YOU TO A QUALITY EDUCATION

Here at Cornwall College we offer a range of transport options, covering the whole of the county and Plymouth. This means that wherever you live, you will be able to access the College easily and at a subsidised rate.

Once you have accepted an offer of a place from the College, the College Transport Advisors will work with you closely to ensure that your transport arrangements are fully in place prior to the beginning of your course.

## MANAGING YOUR TRANSPORT REQUIREMENTS:

- Cornwall Council buses
- Cornwall College buses
- Public Transport
- Mileage allowance for your own vehicle (in certain circumstances)

Transport is available for all students living more than 3 miles away from College, regardless of age or chosen course of study. Link transport from home to the nearest bus stop will be provided to those who live more than 5 miles from the designated pick-up-point.

Application forms are available from all Cornwall College sites. A standard contribution is required from all students requesting transport. The fee can be paid annually or over 3 terms (Autumn, Spring & Summer) if preferred, at no extra charge. Please ensure that you apply by 1st August or you may have to travel and pay independently until your pass is processed.
