

Warehousing and Storage Certificate Level 2

During this programme you will have the opportunity to select units that reflect your job role, whether it be operating equipment, receiving and dispatching goods, managing stock levels, processing orders or storing goods safely.

The programme includes workplace assessment and discussion with qualification outcome that recognises your competency.

Course cost: £175-£1450*

*Prices vary subject to criteria.

□ Ideal if

New or existing workers, particularly those with basic experience or understanding of the logistics industry or apprentices working towards a Level 2 Apprenticeship in Warehousing and Storage.

□ You'll need

There are no entry qualifications or age limits required by learners to undertake this qualification unless this is a legal requirement of the process or the environment. Assessment is open to any learner who has the potential to achieve the assessment criteria set out in the assessment routes. Suitable GCSE grades would be desirable.

□ You'll learn

Competence qualifications are undertaken in the learner's workplace.

□ You'll go on to

This qualification supports progress to the EAL Level 3 Certificate in Logistics Operations, with further related qualifications.
