

## Supporting Teaching and Learning Level 2

The Level 2 Certificate in Supporting Teaching and Learning has been designed to provide you with an understanding of the knowledge and skills needed when working directly with children and young people in school or college environments.

This course covers a wide range of areas including children and young people's positive behaviour and communication and professional relationships.

As part of your course you will be required to carry out Work Experience and/or an Industry Placement. For more details please [click here.](#)

### □ Ideal if

You are in a placement or working in support roles within schools and colleges.

### □ You'll need

To be educated to GCSE level and have good communication skills. You should already be working/volunteering or about to start working as a teaching assistant or a member of the support staff in a school.

### □ You'll learn

You will work towards nationally recognized qualifications and will attend a weekly class at one of our campuses.

Your taught lessons will cover key aspects of the role of supporting teaching and learning in schools including health and safety, child protection and professional development.

### □ Expect

You will need to be working in a voluntary placement for the duration of the course in a learning environment (school or college), as they need to show competence in both skills and knowledge.

### □ You'll love

Presenting a portfolio of evidence collected in the workplace.
