

Bricklaying apprenticeship Level 2

Apprenticeship

Could not see yourself in an office? Enjoy working outside? This could be the course for you. This course is a great start your career as a bricklayer.

The first thing you'll notice about this course is that it's about practical learning – you'll be spending a lot of time in our workshop, learning by doing as you work on a range of materials and tools. Which will be supported by theory lessons to underpin your knowledge.

A Level 2 apprenticeship course, this is all about advancing your knowledge in the bricklaying industry and developing your essential skills. You'll be learning from experienced and professional bricklayers, who are there to give you the very best start to your career.

We do everything in our workshop: from brick to block work, line work, piers, corners, one brick thick walls, cavity walls, arches and much more. We work very closely with employers to make sure you will have the right skills and knowledge to support local needs and keep you working!

Please watch the video on how to roll and lay mortar

The average?Bricklayer?salary in United Kingdom is £39,098 per year or £20.05 per hour. Entry level positions start at £23,414 per year while most experienced workers make up to £52,000 per year.

Our workshop features industry-standard equipment and kit, exactly like a working site. We also have a strong partnership with the local businesses, so you will be learning what the market needs. We work closely with your employer to support you in your travel to be a great tradesperson.
