

# Customer Service Practitioner Apprenticeship

## Apprenticeship

Customer Service is the human element of any business delivering products or services to customers. Whilst a strong, recognisable brand and having unique selling points is important, it's professional staff delivering on brand promises that brings the organisation's values, policies and procedures to life, bringing customers back time and time again... Happy customers leads to successful business!

If you enjoy variety, like people and would enjoy the challenge of dealing with different situations every day, then a Customer Service Practitioner apprenticeship would be a perfect choice for you... not only will you 'earn while you learn' in a vibrant, customer-facing environment in the real world, but you will gain professional skills and an internationally recognised qualification to support your future...

Whether new to the role or seeking to develop your practice, a Customer Service Practitioner apprenticeship, supported by tutors who have recent industry experience, can take you in any direction – business to business, business to customer, retail, sales or hospitality. If you enjoy interacting with people then 'the world really is your oyster!'
