

# Property Maintenance Operative Apprenticeship

## Apprenticeship

If you are Interested in working in a fast-moving and varied sector, then Property Maintenance may be the profession for you.

The first thing you will notice about this course is that it is about practical learning – you will be spending a lot of time in our workshop taking part on hands on learning as you develop skills across a number of trades.

You will be looking at everything: From carpentry, plumbing, plastering, electrical, tiling and learn about external building repairs. You will study and develop all the essential skills you need as a Property Maintenance Operative, carrying out maintenance and repair activities as you progress through the course.

Our workshops feature up to date industry-standard equipment for each discipline. We have a proven track record with construction related trades and are the preferred provider of construction courses in the area, employers know a construction qualification from The Cornwall College Group means you have the very best skills for the industry. So, if you have good problem-solving skills and you work well with your hands, this is the best place to start.

A level 2 apprenticeship in Property Maintenance will give you all the skills, knowledge and behaviours to carry out your maintenance role to a high standard; whether it is in a care home, hospital, school, commercial premises, holiday park, town council or any of the other numerous possibilities.

You will be learning from experienced construction professionals who are there to give you the very best start to your career.
