

Beauty Therapy

16-19

Adult

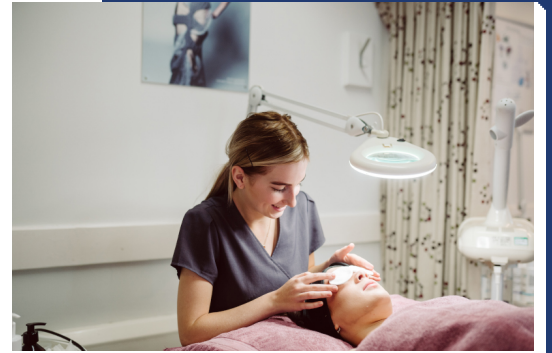

A progression route for Level 2 Beauty Therapists wanting to gain employment within the beauty industry. This course is aimed at learners wishing to further their existing beauty skills in advanced techniques.

Not only will you develop existing skills but you will also train in the more specialist areas such as electrotherapy and microdermabrasion.

You will be expected to attend College for two/three days a week and will be required to work to high professional standards. You will train in one of our industry standard salons, work in a realistic environment and use the latest equipment, machinery and products within the industry.

ENTRY REQUIREMENTS

You will need a Level 2 beauty qualification and a real interest in the beauty industry. You should be enthusiastic to learn a variety of advanced practical skills and the associated knowledge, which will develop your employment opportunities within the beauty therapy industry. As with all therapy professions, you will need to create the right impression with your clients and must therefore be professional, courteous and discreet. Excellent communication skills are essential.

This is an intensive, knowledge-based course and we do look for enthusiasm and motivation to succeed on the course.
