

Introduction to Gardening for Wellbeing

Adult

On this course you will develop your gardening skills whilst working as part of the team to maintain and enhance community centre grounds. As well as planting herbs, plants and shrubs you will also learn how to take cuttings, propagate, and maintain and develop the established gardens at one of our off-site locations.

The course is delivered at The Liskerrett Centre, Liskeard.

The Liskerrett Centre has a polytunnel, containers and areas suitable for growing a variety of produce and fruit trees.

You will be encouraged to focus on areas of interest to you with tutor support.

The Road to Wellbeing courses are relaxed and informal, enabling you to improve your wellbeing and mental health, building your self-confidence and self-esteem. Attending our classes is a great way of meeting new people, making friends and developing personal and vocational skills.

Duration - 8-12 weeks - 1 day per week.

You will be expected to attend each week.
