

Silver Jewellery Design & Practice – Intermediate (Evening)

Adult

Leisure and Professional

This course is designed to continue from the Improvers class, to perfect your ongoing new skills and techniques, to create beautifully designed projects of your own.

You will be encouraged to work independently under the guidance of an experienced tutor who will work with you to develop a safe and confident approach to creating your own bespoke designs.

Suitable for motivated, creative and enthusiastic silversmiths, confident in piercing, filing, soldering, polishing and finishing.

This course is not suitable for beginners.

Materials for the first project and consumables for the course are provided and your tutor will advise you of where you can buy any further materials you need. Please wear old clothes or bring an apron to protect your clothes and footwear should not be open toed. Please bring a note pad and pen.

Fee payable when booking.

This course runs on Thursday evenings, from 6.30pm to 8.30pm, for 8 or 10 weeks depending on the length of the term.
