

# Creative Media Technician – T Level Technical Qualification in Creative & Design

16-19

The T Level in Creative Media Technician is a two year Level 3 qualification for those who want a career within the exciting media, broadcast and production industry. The Media sector is strong internationally, nationally, and locally and with media content being consumed by nearly everyone on the planet the need for people to create, capture, and edit that content is constantly rising

The Media, Broadcast, and Production T Level provides the necessary skills and knowledge for individuals to pursue a career in the creative media industry. Students will be equipped with up-to-date techniques and abilities to effectively plan, prepare, capture, finalize, and publish media content. These competencies will enable students to progress into a wide range of media organisations, from small companies to large-scale film productions.
