

VTCT Skills Level 3 Diploma in Complementary Therapies

Adult

The VTCT Level 3 Diploma in Complementary Therapies is a preparation for work qualification that has been designed to prepare you for a career as a complementary therapist, whether it be as an aromatherapist, reflexologist or massage therapist/practitioner.

This qualification will develop your knowledge and understanding of the principles and practice and business practice for complementary therapies. Furthermore, you will learn about anatomy, physiology and pathology for complementary therapies.

You will also develop your understanding and practical skills to provide body massage, aromatherapy and reflexology. You may also choose to complete an additional unit which will develop your knowledge and understanding of healthy eating and wellbeing for the complementary therapy client.

This is a practitioner level qualification.
