

AAT Level 1 Award in Bookkeeping (Online)

Adult

Employer Training

The Level 1 Award in Bookkeeping offers students the opportunity to develop practical bookkeeping skills. This qualification may help students to move on to further study in either accountancy or bookkeeping with AAT, offer a route into employment or be of interest to those already in employment.

This qualification will particularly suit those students who have had minimal work experience or those who need some additional support to progress. This may include younger students seeking tangible and finance-specific skills, adults seeking to validate their existing skills to enter into or progress in their career, or students who would like to test their abilities before progressing further with AAT. This qualification may also interest those who are self-employed or working in small businesses who wish to do their own bookkeeping.
