

AAT Certificate in Accounting Level 2 (Online)

Adult

Employer Training

The Level 2 Certificate in Accounting is ideal for anyone wishing to study accountancy and finance alongside a range of complementary business and personal skills. The purpose of the Level 2 Certificate in Accounting is to offer the foundation accounting knowledge needed to progress to employment or further study in accountancy and finance, alongside business and personal skills that are transferable to any sector and additional business knowledge relevant to accountancy. The qualification offers a broader focus across several subject areas which enhances employability.
