

Introduction to joinery using power tools (Saturday Skills)

Adult

This six hour course has been designed to offer an introduction to joinery using a range of power tools to make joinery products, work routinely carried out by a joiner. The programme will be delivered in the well equipped practical workshop at Camborne campus. Safety boots should be worn by those attending, all other tools and equipment are provided.

This course is available to learners aged 19+. Tuition fees may apply depending on your individual earnings. Please see the Adult Funding page for more information.

This course will run for 1 day.

Course materials - £10.
