Macro and Close-up Photography for DSLRs Workshop

Adult | Leisure and Professional

At this workshop you will learn how to set up and use equipment to give high quality close-up and true macro images (a range of alternatives will be available to try – Close-up filters, extension tubes, bellows, macro lenses and reversing rings).

Also covered will be the theory and practice of lighting a variety of subjects, the use of focus stacking to extend depth of field, processing of RAW images off-camera to give highest quality results and preparing the best image for printing.

You will need your own DSLR camera for this workshop which is for DSLR camera users only.

Fee payable when booking.

This workshop runs on a Saturday from 10.00am to 3.30pm.

Venue:-

Cornwall College Camborne
Trevenson Road
Pool
Redruth
TR15 3RD
