

# T Level in Design, Surveying and Planning

16-19

If you have an interest in civil engineering and technical construction, the T Level in Design, Surveying and Planning is the perfect course for you.

T Levels offer a unique blend of classroom learning and a minimum of 315 hours (approximately 45 days) industry placement time. If you aspire to become an architect or work in planning and civil engineering, the T Level will be well suited with its diverse curriculum and its extensive career pathways that are available upon completion.

The T Level will provide you with the knowledge and experience required to open the door to skilled employment, further study or a Higher Apprenticeship.

## ENTRY REQUIREMENTS

**Entry requirements for external applicants and school leavers**

- Four or more GCSEs at Grade 4 or above including English, maths and preferably science.
- Functional Skills Level 2 in English and/or maths will be considered as alternatives to GCSE, but a GCSE resit may be required depending on grade.

**Entry requirements for existing learners with the Cornwall College Group**

- Successful completion of previous programme with the relevant levels achieved in maths, English and preferably science.

Please note: Some of our courses may have extra entry requirements or need a bit more information, like evidence or experience. Don't worry - we'll guide you through everything when you apply!
