Project Search is a 5 day a week provision which allows young adults with an EHCP to have a work placement at Cornwall Council for 4 days a week and attend College for 1 day a week. The time on work placement will enable them to gain valuable work experience with the support of a job coach and have the opportunity to take part in a range of roles to see which is right for them. The time at College will allow for the development of English and maths skills as well as key employability skills such as communication, time management, confidence and independent living.

Learners will attend 1 day in College (STAC or Camborne) and 4 days on work placement at Cornwall Council in Truro or Bodmin.
