

From Burnout to Balance: Strategies for Stress Relief

Adult

Join Our Transformative Workshop: "From Burnout to Balance: Strategies for Stress Relief"

Are you feeling overwhelmed by stress and on the brink of burnout? Join us for this transformative workshop designed to help you regain control and balance your life. Through neuroscience insights, practical techniques, and interactive sessions, you will learn how to manage stress effectively, prevent burnout, and cultivate a healthier, more resilient mindset.

Workshop Highlights:

- **Understand Your Brain:** Learn about the cause and effect of stress and burnout and how hormones and neurotransmitters can be affected by chronic stress and how to identify it.
- **Practical Tools:** Gain practical stress-management techniques to reduce stress and rebalance self-care, such as setting boundaries and managing workload for a healthy work-life balance.
- **Goal Setting:** Learn to identify your burnout triggers and create a personal action plan to manage stress, prevent burnout, and build resilience.

***This workshop is suitable for individuals who want to understand their anxiety and counsellors who want to learn techniques to share with their clients.**
