

# Behavioural Sciences/Psychology CAVA Access to HE Diploma

Adult

Access courses are designed as a stepping stone to enable motivated, enthusiastic people to progress on to Higher Education. There is a very high level of academic and personal support throughout the course, which can help if you need to combine study with part-time employment and family commitments.

This course is ideal for those who want to re-train or re-direct their lives into psychology, social science and many other behaviour related university courses.

Access to Nursing is an intensive and supportive programme designed to prepare adult learners for degree-level study in nursing and related healthcare professions.

Please Note: This course is only available to applicants who are 19+
