- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)

## **We know some parts of this website are not fully accessible:**

## **Technical information about this website's accessibility**

The Cornwall College Group is committed to making its website accessible, in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No. 2) Accessibility Regulations 2018.

This website is fully compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard.

## **Content that's not within the scope of the accessibility regulations**

### PDFs and other documents

Older PDFs and Word documents may be structured so that they are partially illogical to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2.

Any new PDFs or Word documents we publish will meet accessibility standards.

### Alt Text

Some decorative images do not have a text alternative, so people using a screen reader cannot access the information. This does not meet WCAG 2.1 success criterion 1.1.1 (non-text content). We plan to add text alternatives for all images by December 2020. When we publish new content we'll make sure our use of images meets accessibility standards.
