3. APPROACH TO REMUNERATION

3.1 Context

3.1.1 The Cornwall College Group is a very large general further education college with eight campuses in Cornwall and two in Devon. It also provides education and training in outreach centres and with many local employers and partners. The college offers courses in seventeen subject areas, including an extensive land-based curriculum, reflecting the rural economy it serves. It is the largest education and training provider in the south west region.

3.1.2 The Group's Annual Report and Financial Statements for the year ended July 2022 provides detailed information about the Group including its mission, strategy, markets, governance arrangements and financial position.

3.1.3 In July 2019 the board appointed a new Principal and Chief Executive who took up the role on 30 September 2019. During the year the Corporation recruited a Group Deputy Principal Group Operations and a Group Deputy Principal Group Curriculum and Quality.

In June 2020 the Corporation recruited a new Director of Governance to succeed the Corporation Secretary, who retired on 30 September 2020. The new Director of Governance started on the 1 September 2020.

On 1 January 2022 the Corporation appointed a new Chair of the Board and a new Vice Chair of the Board in March 2022

3.1.4 The Corporation adopted the Association of Colleges' Senior Staff Remuneration Code on 3 April 2019.

3.2 Approach to setting remuneration

3.2.1 The Corporation has decided that the senior postholders, who are the senior staff accountable to the Corporation, should be fairly rewarded for their individual contributions to the Group's overall performance and their remuneration be set by a Committee which has no personal interest in the

outcome of its decision and gives due regard to the interests of the public and of the financial health of the Group.

- 3.2.2 The Corporation has identified the roles of Principal and Chief Executive, Group Deputy Principal Group Operations and the Group Deputy Principal Group Curriculum and Quality as the Group's senior postholders. These roles are complex and relate to key business activities and require high level decision making.
- 3.2.3 The Director of Governance is a senior postholder and is directly accountable to the Corporation and is also therefore within the remit of the Remuneration Committee.
- 3.2.4 The Senior postholders and Director of Governance's remuneration is reviewed annually by the Committee following a review of their performance against targets for the year agreed with the Committee.
- 3.2.5 The Remuneration Committee benchmarks senior postholders' remuneration against the Association of Colleges' Senior Staff Survey but also takes into consideration other factors such as market forces, the college environment and complexity, ease of recruitment, risk and retention as well as value for money and staff pay levels.

3.3 Principal and Chief Executive's Earnings

3.3.1 The Principal and Chief Executive is the highest paid senior postholder in the Group during 2021/22. The pay multiplier, comparing the basic salary of the Principal and Chief Executive to that of the median salary for all other staff was 8.0 (7.8 2020/2021). The median for 2021/2022 for staff is £12.55 and the Principal is £101.35. (£13.02 per hour and the Principal is 101.35 per hour 2020/21).

3.3.2 Details of the Principal's, and other senior postholders' remuneration during the year is detailed in the notes to the Financial Statements for the year ended 31 July 2022.

3.4 College Policy on Paid External Appointments

3.4.1 Whilst the College recognises the value of staff, including senior postholders, undertaking external appointments, income from external activities, if those activities occur during normal working hours, should be paid to the College or the staff member should take annual or unpaid leave. External appointments and activities include work as an external examiner or Ofsted Inspector.

4. CONCLUSION

- 4.1 In April 2019 the Corporation adopted the Association of Colleges' Remuneration Code which states that fair and appropriate remuneration requires three key elements:
- a fair, appropriate and justifiable level of remuneration;
 - procedural fairness;
 - transparency and accountability.
- 4.2 The Remuneration Committee is committed to ensuring that senior postholders' and the Director of Governance's remuneration is fair and appropriate.
